

Maquet Rolite M & XL Series

When mobility meets performance:
A wide range of surgical lighting solutions

- **Mobile solutions available with the following light heads:**
 - Maquet Ezea
 - Maquet Volista Access II
 - Maquet Volista StandOP
 - Maquet PowerLED II
- **Suitable for a wide range of environments:**
General operating rooms, emergency departments, outpatient treatment rooms, delivery rooms, labs, and even intensive care units
- **Continuous operation** with up to 8 hours of battery autonomy, ensuring reliable lighting wherever it is needed.
- **Small foot print:**
Maquet Rolite can be positioned close to the operating table, ensuring optimal illumination without disrupting operating room workflows.
- **Secure positioning** with casters equipped with brakes.
- **Easy mobility** for effortless movement between rooms.
- **Flexible positioning** in different areas of the same room.
- **Improves workflow efficiency** by enabling quick and easy relocation of the light wherever it is needed.
