

Taking care of your investment

Getinge Care Technical Services

We offer services to maximize the useful life and long-term value of your Getinge equipment. With a Getinge Care service agreement, you will get preventive maintenance, original spare parts, easy troubleshooting and proactive service by our certified field service reps – ensuring that your equipment is operating safely and reliably all the time.

The importance of ensuring highest possible uptime

Optimizing your Getinge equipment performance is a central part of hospital efficiency. Each day, your staff relies on our equipment to deliver operational stability and exceptional care for their patients, so they can focus on saving lives. With a Getinge Care service agreement, you will increase uptime and keep unplanned cost to its minimum.

Protecting performance

By following an optimal preventive maintenance schedule, you will ensure that you always have the right equipment at the right time. If something should need urgent attention, we will be there to help resolve the issue.

Expert service

As original manufacturer we can deliver the best possible maintenance, repair and product updates. No one knows your Getinge equipment better.

Digital services

As an optional additional part of your Getinge Care service agreement, we offer access to our digital services allowing for new insights, maximized uptime and improved efficiency.

Peace of mind

As your services partner, we will work together to find the best technical services solution for your needs, and support you if any issues arise.

Part of Getinge 360° Services

To provide you with the best possible services, we are considering the entire journey of delivering healthcare. From value creation partnerships and financial solutions, to planning and design of workflows, project implementation, education and training, digital services and equipment uptime through preventive maintenance services. All aligned for your operational and financial goals.
